ABOUT DISASTER RELIEF AUSTRALIA

ABOUT US

Disaster Relief Australia (DRA) is a veteran-led disaster relief non-profit organisation that unites the skills and experience of Australian Defence Force (ADF) veterans with emergency services specialists to rapidly deploy volunteer disaster relief teams in Australia and around the world in the wake of disasters.

We proudly maintain a roster of thousands of volunteers able to rapidly deploy throughout Australia and internationally, DRA is able to integrate into existing emergency management arrangement and can operate independently or as part of an integrated taskforce.

Pairing the skills and experiences of ADF veterans with emergency responders, trade professionals, and technology solutions, Disaster Relief Australia aims to provide the greatest service and impact possible.

OUR CAPABILITIES

- Incident Management
- Aerial Damage Assessments and Mapping
- Damage and Impact Assessments
- Work Order Management
- Building Resilience and Capacity
- Spontaneous Volunteer Management
- Debris Management and Restoring Access
- Expedient Home Repairs
- Support to Vulnerable Communities
- Logistics Management and Humanitarian Aid Delivery

DISASTER RELIEF TEAMS

DRA has a volunteer disaster relief team (DRT) based in every state and territory across Australia with plans to grow from the current 9 teams to 12 by 2024.

Our volunteers are all linked to their closest DRT with each managed by a locally based DRT Manager.
