Information Brochure **2025/26**

President's Message

As you unpack this rate notice and associated information, it is relevant to look through the many aspects that make up the services that are provided to our ratepayers and residents by your local government.

Recreational facilities and sporting support, library services and community development through to road construction and transport network maintenance. Your council is also responsible for statutory regulations and enforcement around planning and building legislation. Health oversight, emergency services and waste management add to the many areas that council has local oversight on. There are more aspects to local government. They all need to be managed and budgeted for and all need attention in the yearly budget cycle.

Our council has delivered on all these facets over many years in a measured and deliberate manner that has been within in means and respectful of how public money is allocated. This has led to our organisation operating a low debt situation and capable of delivering the services that our residents require and expect.

Over that last reporting period, our council has seen an improvement in its financial position through mature governance and sound fiscal management. This has seen us improving on local government indicators around viability and economic performance that are measurements calculated and made public to inform our ratepayers that your local government is performing in a sound capacity.

Through this, rates have been kept at increases below long-term forecasts and this year is no exception. Local government is certainly not immune from price increases. Through diligent administration of funding resources and unwavering scrutiny, our position in serving the community is a strong one.

Council is always vigilant on attracting other funding sources and constantly looks to avenues of revenue through grants and fees and charges. Having a capable administration with competent fiscal acumen serves us all very well and we thank them for their competency.

The list of wants for our community will always outweigh the capacity to deliver them. This budget will see an increase in focus for tourism and recreation with the commencement of a multiuser trail to the weir and completion of public facilities in Railside Park. Your council endeavours to balance the appropriate needs against available resources and it is my privilege to hold the position I do in a passionate council and community.

I thank all our councillors and staff for their efforts to deliver services across our shire and our ratepayers and residents for calling Waroona home and supporting our continued journey.

RATES, CHARGES & FEE INFORMATION 2025/26

In accordance with the Local Government Act 1995 and the Waste Avoidance & Resource Recovery Act 2007, the Council of the Shire of Waroona determines rates and rubbish charges that will be imposed for 2025/26.

This is carried out by calculating a rate in the dollar for both GRV (Gross Rental Value) properties and UV (Unimproved Value) properties.

In addition, the Council imposes a minimum rate on all land, in both town sites and rural areas. These minimum rates are imposed to ensure a fair and equitable amount of rates is payable by all ratepayers.

For details of the above rates, please refer to your rate notice and the following information.

Rubbish/Recycling Charge

All residents with a rubbish service charge will receive a tip pass on the second page of their rates notice with twelve (12) entry permits if you have a street collection service. These passes must be presented at the tip gate. Each pass permits the disposal of a 1m³ domestic waste (or equivalent). This must be presented at the tip gate for access. Residents outside the refuse collection area are entitled to a rural tip pass with twenty-four (24) entry permits which must be presented at the tip gate. Each pass permits the disposal of a 1m³ domestic waste (or equivalent). In accordance with Western Australia's Waste Avoidance Regulations, all properties within the Shire of Waroona are charged a separate waste levy for the provision of waste service facilities. Residents with a street collection service are also charged a fee for the collection service.

Please also note the following:

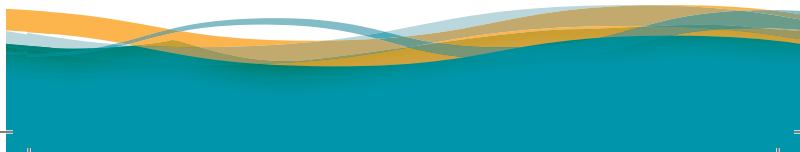

- **Please do not lose this pass. Lost, missing, or used up passes will not be replaced.**
- **Tipping fees can be paid at the gate (by either Eftpos, cash or cheque).**
- **One cubic metre of rubbish is permitted to be disposed of per ticket.**
- **Proof of identity as a resident or ratepayer of the Shire is required prior to the disposal of rubbish at the refuse site.**
- **Tipping Fees will apply unless a valid tip pass is presented at the gate – this includes fees for green waste.**

Rates Charges & Fees Due and Payable

The Rates and Rubbish charge is due and payable by Friday 26th September 2025 at 4pm. This includes the first payment by instalments should this option be selected.

Penalty Interest

This interest is charged 11% annually, calculated and applied monthly. Interest will be charged on overdue rates and instalments when the instalment payment becomes overdue.

Pensioners/Seniors

Pensioners and/or Seniors may be eligible to claim rebates up to a maximum of 50% for pensioners (capped at \$750.00) and 25% for seniors (capped at \$100.00) of their current year rates and Emergency Services Levy charges.

The Council does not administer the laws regarding pensioner concessions. If you wish to lodge a complaint regarding the capping of the pensioner rebate you will need to contact your local Member of Parliament.

To qualify for a rebate, applicants must:

- a) Own and occupy the property as their ordinary place of residence as of 1 July, and hold a current Pensioner Concession Card, or**
- b) Hold a current Seniors Card, or**
- c) Hold a current Seniors & Commonwealth Seniors Health Card, or**
- d) Hold a State Concession Card.**

To have a rebate granted, pensioners/seniors must be registered with the Council within 35 days of the issue of their rate notice i.e., Friday 26 September 2025. Eligible pensioners are exempt from all interest and administrative charges within the current rating year. To receive a rebate pensioners/seniors must have their rates paid by 30 June 2026. Failing to pay by this date will result in the loss of the rebate and penalty interest being applied.

Objects and Reasons for Rates

Council resources are limited. It receives funding from State and Federal Government sources and from direct payment for services such as halls and recreation centres, but these are not sufficient to meet the expenditure required to fulfil Council's objectives and responsibilities in terms of services delivered to ratepayers.

The difference between total revenue required and income is the amount which must be raised through rates.

Alternative Arrangements

In special circumstances ratepayers experiencing financial difficulty in paying rates and charges should contact the Rates Officer on 9733 7800 as soon as possible to discuss alternative arrangements.

Emergency Services Levy - Rates and Charges

Property owners pay a levy rate that is proportional to the level of emergency services available to them. This is achieved by the classification of different areas of Western Australia into five categories, each with their own ESL rate.

ESL Charges

ESL minimum and maximum charges are set to ensure that fair contributions are made by different types of property owners. The following table shows property usage classifications and the minimum & maximum charges that will apply to each in 2025/26.

ESL Service Category	Rate per \$ GRV	Minimum ESL Charge	Maximum ESL Charges		
	All Property Uses	All Property Uses	Single-unit Residential, Vacant Land and Non-Commercial Farming	Multi-unit Residential (residential with more than 1 sub)	Commercial, Industrial and Miscellaneous
Category 1	0.015216	\$108	\$533	\$533 x relevant no. of units	\$305,000
Category 2	0.011412	\$108	\$400	\$400 x relevant no. of units	\$229,000
Category 3	0.007608	\$108	\$267	\$267 x relevant no. of units	\$153,000
Category 4	0.005325	\$108	\$187	\$187 x relevant no. of units	\$107,000
Category 5	Fixed Charge \$108				
Mining Tenements	Fixed Charge \$108				

Payment Options for Rates

Option 1	<u>Full Payment</u> Payment in full, no later than Friday 26 September 2025 at 4pm - eligible for electronic prize incentive draw.
Please Note:	Payments must be receipted at the Shire Office by 4pm Friday 26 September 2025 to be eligible for the rates incentive prize draw. Please allow time for mail delivery, processing times etc.
Option 2	<u>Payment by two instalments</u> First instalment due - Friday 26 September 2025 Second instalment due - Friday 28 November 2025 Cost of this option - <i>\$10.00 plus interest at the rate of 5.5% on the second instalment</i>
Option 3	<u>Payment by Four Equal Instalments</u> First instalment due - Friday 26 September 2025 Second instalment due - Friday 28 November 2025 Third instalment due - Friday 30 January 2026 Fourth instalment due - Friday 27 March 2026 Cost of this option - <i>\$30.00 plus interest at the rate of 5.5% on the second, third and fourth instalment</i>

Note: Payment of a rate or rubbish charge may not be made by instalments if at the date for payment of the first instalment any part of a rate or charge from a previous financial year remains unpaid. All arrears must therefore be paid by the due date of the first instalment Friday 26 September 2025 at 4pm.

Consequences of Default in Payment of Rates and Charges

If any rates and service charges remain unpaid after Friday 26 September 2025 and are not subject to one of the instalment payment options offered, the amount owing is due and payable in full and may be recovered, together with the cost of proceedings, in a court of competent jurisdiction.

Rubbish Removal Services

Residential & Commercial Rubbish & Recycling Collection

The Shire of Waroona provides a weekly 240 litre rubbish bin collection and a fortnightly 240 litre recycling bin collection. Collections are generally on Wednesday and Thursday however please contact the Shire Administration Office to confirm your collection days. The Shire now offers commercial premises a bulk bin service that is available with 1.5m, 3m and 4.5m sized skip bins. General waste bins are serviced weekly and recycle fortnightly. Please contact the Shire Administration office to arrange this service.

Properties with buildings on them in the kerbside collection zone are charged an annual fee for the kerbside collection service. Additionally, in accordance with Western Australia's Waste Avoidance Regulations, all properties within the Shire of Waroona are charged a separate waste levy for the provision of waste services such as the Buller Road Waste facility.

Hard Waste Collection

Council provides a town site street verge side 'hard waste' collection service every second year. The Shire has engaged a contractor to undertake the collection which is scheduled for the second quarter of 2026. Confirmed dates will be provided closer to the date. Residents are encouraged to refer to the Hard Waste Collection Policy and Guidelines on the Shire website for more information.

Rubbish Tip Contractor

Council has appointed a site management contractor to manage the tip under certain hours and conditions. The tip will be locked outside these hours. Please note that the tip contractor has sole rights to the salvage at the tip and will not be allowing any scavenging.

Buller Road Refuse Site

The rubbish disposal site is situated approximately 11km southwest of the Waroona Town site along Buller Road and is available for disposal of rubbish between 10am and 4pm Thursday to Tuesday (closed Wednesday) excluding Christmas Day, New Years Day and Good Friday. A tip pass must be presented, or a gate fee paid at the tip to dispose of rubbish.

Tip passes are attached to your Rates Notice and are provided to all rateable properties. Rates and charges for disposal of rubbish will be displayed at the tip entry and will also be available from the Shire of Waroona administration office or can be viewed on the Shire's website.

Asbestos

The Buller Road Refuse Disposal Site accepts asbestos at a fee per tonne or cubic metre.

- Large volumes of asbestos exceeding 1m³ will not be accepted.
- Asbestos is to be wrapped in 2mm thick black plastic and sealed with tape.
- Asbestos should be labelled.

Please contact the Refuse Site on 9733 3829 prior to arriving to site with Asbestos.

Green Waste

Green waste can be dumped with a tip pass up to the volume stated on the pass. All other green waste presented will attract the applicable rates and charges.

Car Bodies/Scrap Steel

Car bodies/scrap steel can be dumped with a tip pass up to the volume stated on the pass. All other car bodies/scrap steel presented will attract the applicable rates and charges.

Mattresses

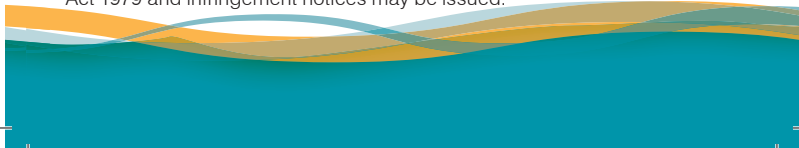

Mattresses can be dumped with a tip pass. Once all the entry permits on the pass have been used a disposal fee will apply.

Fridges and Freezers

Fridges and Freezers can be dumped with a tip pass however once all the entry permits on the tip pass have been used a disposal fee will apply. It is also important to note that they must be degassed prior to dumping for safety reasons. If they have not been de-gassed, then a de-gassing fee will be charged prior to disposal.

Transport of Rubbish

Due care should be taken when transporting rubbish to the waste facility. All loads shall be secured. Insecure loads are classed as littering under the Litter Act 1979 and infringement notices may be issued.

Ranger Information

Drakesbrook Weir is located 3 km southeast of the Waroona townsite – swim, fish, canoe (no power boats), picnic or barbeque. Undulating hills provide a picturesque backdrop to this popular day use area with shaded tables, free electric barbeques, and public facilities. Dogs are prohibited on all grassed and adjoining beach and swimming areas, including the sand foreshore, but they are permitted on leash in other areas.

Preston Beach is a very popular fishing and recreational destination. Road registered 4-wheel drive vehicles are permitted on the beach (unless closed). Tyre pressures should be reduced and a 20kph speed limit applies. Vehicles are strictly prohibited from entering the sand dunes or the recreational swimming zone. Camping is strictly prohibited in all areas including the car park, beach, and dune areas. Camping is permitted in the designated RV camping area and only for self-contained recreational vehicles (subject to conditions), for not more than 48 hours.

Dogs

All dogs over the age of 3 months must be microchipped and registered with the Shire. Sterilisation and microchip certificates and/or proof of exemption is required. Dog registrations can be obtained for a 1 year, 3 year or lifetime period. Dangerous dogs can only be registered 1 year at a time.

Registration Fees	Sterilised	Pensioner	Unsterilised	Pensioner
One Year Registration	\$20.00	\$10.00	\$50.00	\$25.00
Three Year Registration	\$42.50	\$21.25	\$120.00	\$60.00
Lifetime Registration	\$100.00	\$50.00	\$250.00	\$125.00
Dangerous Dog Registration	\$50.00 - One Year Renewal Only			

A 50% discount is given to Eligible Pensioner Concession Card Holders. Dogs used for droving or tending stock are 25% of the above fees (a Statutory Declaration to support a bona fide working dog concession claim is required).

Please ensure that you can effectively confine your dog(s) within your premises to prevent them from escaping. Please ensure your dog is always on a leash when walking it in a public place.

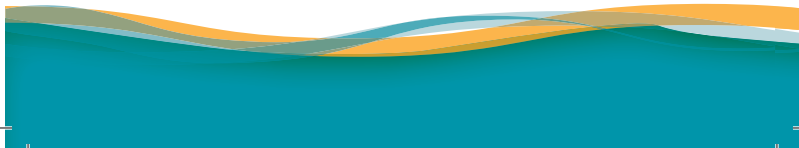

The maximum number of dogs allowed is 2 unless your property is situated on rural or special rural zoned land where a maximum of 4 is allowed. An exemption application to keep more than the prescribed number of dogs is required if you wish to keep more than the above but less than 6. The exemption application fee is \$100.00 and is non-refundable.

Cats

All cats over the age of 6 months must be sterilised, microchipped, and registered with the Shire. Sterilisation and microchip certificates and/or proof of exemption is required. Cat registrations can be obtained for a 1 year, 3 year or lifetime period. A 50% discount is given to Eligible Pensioner Concession Card Holders.

The maximum number of cats allowed is 2*. A permit is required to keep 3 or more cats. Where an owner has 3 or more registered cats prior to 21 June 2023, that owner is not required to have a permit: however, that owner cannot substitute or replace any cat (more than 3 cats) once the relevant cat dies or is permanently removed from the premise. The permit application fee is \$100.00 and is non-refundable.

Registration Fees	Full	Pensioner
One Year Registration	\$20.00	\$10.00
Three Year Registration	\$42.50	\$21.25
Lifetime Registration	\$100.00	\$50.00
Cat Breeder - Annual Fee	\$100.00	

Native Animals

There is a Wildcare Helpline that is a 24/7 telephone referral service. The helpline is operated by volunteers on behalf of the Department of Biodiversity, Conservation and Attractions and is based at the Head Office in Kensington.

The Helpline provides a service for the public who find sick, injured, or orphaned native wildlife and are seeking advice on where to find care for the animal. If you've found sick, injured or orphaned native wildlife please call the 24-hour Wildcare Helpline on (08) 9474 9055.

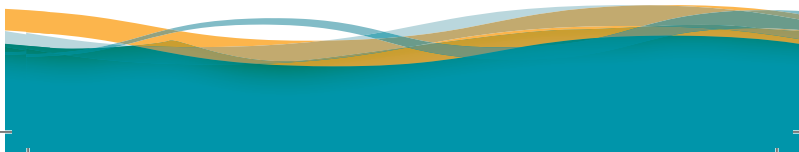

Disposal of Deceased Animals

You are required to dispose of deceased animals at the Buller Road Refuse Site. Deceased animals will be accepted with a tip pass up to the volume stated on the pass. All other deceased animals presented will attract the applicable rates and charges.

Wandering Livestock

Wandering livestock poses a significant safety risk to the community. If you own livestock, it is your responsibility to ensure that they cannot escape from your property. It is an offence for livestock to wander under the Local Government (Miscellaneous Provisions) Act 1960. Additionally, you may be liable to civil proceedings if it is found that your wandering livestock contributed to personal injury or property damage.

Please ensure your fences are maintained in good order to contain all livestock to the property.

Bushfire Prevention Information 2025/26

Pursuant to Section 33 of the Bush Fires Act 1954, all owners and/or occupiers of land are required to carry out fire prevention work in accordance with the Firebreak Notice on or before 30 November each calendar year or within 14 days of the date of becoming the owner or occupier of the land, should this be after 30 November. All work specified in the Firebreak Notice is to be maintained up to and including 15 May the following calendar year.

A Firebreak Contractors list is available on the Shire of Waroona website or can be obtained by contacting Ranger Services.

The Bushfire Prevention Information and Notices booklet can be found enclosed with this brochure and your 2025/26 Rates Notice.

Information booklet can be found enclosed with this brochure and your 2024/25 Rates Notice.

NOTE: SOME RURAL RESIDENTIAL LOTS WITHIN THE SHIRE ARE SUBJECT TO A FIRE MANAGEMENT PLAN. LOTS SUBJECT TO A FIRE MANAGEMENT PLAN ARE REQUIRED TO MEET THE SPECIFICATIONS OF THE PLAN, WHICH MAY BE IN EXCESS OF NORMAL BUSHFIRE PREVENTION WORKS.

Harvest & Vehicle Movement Bans SMS Register

The Shire of Waroona provides a free of charge Harvest and Vehicle Movement Ban (HVMB) notification service via SMS alert. As soon as a HVMB is implemented, all mobile phones registered to the service receive a SMS.

Please note that the Shire may impose a HVMB when the Chief Bush Fire Control Officer is of the opinion that the use of engines, vehicles, plant, or machinery is likely to cause a fire or be conducive to the spread of a bushfire.

To register for this service please email your details to eso@waroona.wa.gov.au or phone the Shire Office on 9733 7800.
