EXHIBITORS' CONTRIBUTION

Sea to ART is an exhibition 'for the artists by the artists' and is supported by Waroona Visitor Centre staff & volunteers and the Shire of Waroona.

The involvement & commitment of exhibitors is essential to ensure the exhibition's success and to this end exhibitors are requested to volunteer their time to assist with preparations for the exhibition & official opening. Exhibitors attending the official opening are required to provide a platter of finger food.

At the close of the exhibition assistance to return the Visitor Centre to its pre-exhibition state is also essential in order to reduce downtime and inconvenience to visitors and customers.

CONDITIONS OF ENTRY

1. Entry is open to residents of Shire of Waroona, Coolup or Yarloop or current members of Waroona Visitor Centre.
2. Each exhibitor may submit up to four original exhibition pieces in each category with an entry fee of \$5 per piece. Should space become an issue then preference will be given, wherever possible, to items in the order they are listed on the entry forms.
3. Works must be suitably presented to exhibition level and be ready to hang (e.g. clean and dry with secure fittings compatible with the Gallery's hanging system). Paintings and other framed works must not exceed 1mx1m including frame, or at the discretion of the Organizing Committee where approval is sought.
4. Paintings to have cardboard corners & clear wrap around frames so picture can be seen without being unwrapped. Fragile items to be suitably protected. All items to have fully completed labels attached for use to identify, register and label artworks for the exhibition.
5. Works will be accepted at the discretion of the Organizing Committee. Entry may be denied if an exhibit is deemed unsuitable for display.
6. Works can be sold and the asking price must include the 10% commission levied by the Visitor Centre. Works must remain until the end of the exhibition. Sold pieces may be released to the purchaser at the discretion of Visitor Centre staff. Where a sold item is released, the exhibitor may be offered the opportunity to provide a replacement piece which would be subject to the same conditions of entry.
7. Entry forms must be submitted by date shown to allow time for the Works Catalogue and display labels to be prepared & printed. The form has a number of questions regarding attendance at the opening, availability to assist with set up, etc. Indicative answers will assist with planning.
8. Exhibitors give permission for works to be photographed for publicity, catalogue or archival purposes.
9. All due care will be taken but items are displayed at the risk of the exhibitor.
10. Works must be original (no copies), have been done within the 18 months prior to the exhibition & must not have been exhibited in the Visitor Centre prior to the exhibition. Works may have been exhibited elsewhere.
