

Candidate Details

Ballot paper name	CARULLI, Carl
Candidate name	Carl CARULLI
District	Shire of Waroona
Nominating for	Councillor for Shire of Waroona
Election type	Ordinary
Enrolment status	CARULLI, Carl is eligible to stand for election as a resident of the Shire of Waroona.

As an educator in Waroona for 20+ years, I have had the opportunity to meet many families and assist in the development of their children. I have witnessed the opportunities this town has been able to offer these families and understand what needs to be done to support them into the future.

If elected, I will adhere to these underlying beliefs:

*Strong communication is the bedrock to making good decisions. When all stakeholders are informed and involved, better outcomes occur.

*Physical and mental health are critical to the wellbeing of an individual and therefore the broader community. The Shire has a responsibility to support organisations that foster this. This includes health services, sporting clubs and other organisations that bring people together.

*Finding the balance in any situation is usually the best way forward. When one side dominates it becomes almost impossible to share in the spoils of good decision-making.

*Rate payers expect 'good value' for the rates they pay.
