Charlie Clarke

The Peel Region has been my home for over 30 years, with the last 3 years living in Preston Beach. I work locally and spend much of my time outdoors, especially fishing. Volunteering has always been important to me, and being part of the Preston Beach Volunteer Bushfire Brigade and Progress Association has enabled me to meet amazing like-minded individuals, and ensure our community remains vibrant.

Our region has many fantastic opportunities to grow in the coming years including tourism opportunities that showcases our beautiful landscapes. Improving facilities that encourage and assist job growth and local businesses is a priority. I am running for Council to give our community a voice in how we can make the most of these opportunities. Getting our fair share of funding from State and Federal Governments will assist local businesses and grow our community together while maintaining the spirit of the region.
