Naomi Purcell

I love living in Waroona and have done so, with my husband and two children, for the past 16 years. I continue to be involved in our wonderful community and am currently President of the Waroona Amateur Swimming Club and also the Just Cruizin Car Club which holds the annual All Australian Car Day in Waroona.

I have a passion for community and enjoy actively contributing to it so that Waroona Shire can continue to grow stronger as a place for people to live, work and visit. To encourage tourism growth throughout the Shire would continue to be a focus of mine as more West Australians are experiencing what is good in our beautiful state. I am excited about the current town centre initiatives and also want to help work towards purposeful and positive opportunities for our youth.
