

SHIRE PRESIDENT'S REPORT

Our community came together to celebrate a wonderful breakfast provided by our Lions at the recent Australia Day ceremony. We had a small reprieve in a long stretch of hot weather to honour our dedicated volunteers and to conduct a citizenship ceremony. The Jetta family provided an indigenous cultural experience during the morning and our community development team put together some great activities for our kids. They also facilitated an art exposition of the very talented and creative people that call our Shire home. A large thankyou to everyone involved in what was a great morning and special thanks go to Jan,Jo,Don,Robyn and Mike for your outstanding contributions to our community and the Historical Society and STEMathon for being duly recognised in delivery quality captures of our past and future.

With the return to school and the end to the holiday period, it's always a reminder to watch our speed around our schools and be aware of the busy times in the morning and afternoon. A change in Principal at St Joseph's this year with the departure of Michael O'Dwyer sees our community welcome Ronan Kelly to the role. We all sincerely wish them both all the best in their respective new roles.

With the impending state election occurring on March the 8th, one project that has been announced recently by the premier on a quick visit to Waroona was an upgrade of the football club change rooms to incorporate our women's team. I was delighted to attend the funding announcement recently with Robyn Clarke MLA and a few of the women's team players with club president Shane Della. It will be a welcome addition to the club and will certainly enhance our teams over the next few years.

If you may be looking for an enjoyable night under the stars with the family, the Preston Beach Golf club movie night is always a good event. This year it will take place on the 1st of March with the usual food and drinks available. Council enjoys supporting these community events through the year and having them well attended helps in turn support our social and sporting groups. Hope to see you there.
