

## Shire President's Message

I recently attended the 50th Anniversary Celebration of our fabulous Waroona Lions Club at Forest Edge Recreation Camp. It was a very special night with Lions Members and Associates attending from all around the state. John Clare has created a sensational chronology of the 50 years our Lions Club has served our community so faithfully. It is a fantastic record of the projects and support this tremendous band of volunteers has so selflessly served and delivered to our community. An outstanding member who

deserves a special mention was the M.C. of the night, Councillor Larry Scott who is currently the longest serving member. Larry has committed his time to the Lions for 42 years without a break which deserves our sincerest admiration. Many other very committed Lions were mentioned on the night and I was humbled and fortunate to get to thank this wonderful organization from the broader community.

At our March Council meeting representatives from the Waroona Business Support Group gave council a presentation of an initiative to bring some colour and art to our main street. Some of the preliminary designs for murals and banners looked striking and we look forward to seeing this project progress.

Our Road Crew are maintaining the schedule for our road programme and have moved out to Southern Estuary Road to amend the bends on the southern section of the road. This particular area will be very busy during the next few months as a large volume of sand will be leaving Cougar's Pit and heading south for the construction of the new Lithium Plant at Kemerton. Please take care when driving on these road as there will be many large vehicles operating.

A big congratulations to our cricketers who have gone back to back winners of the Peel Cricket Association Grand Final. It stands out that the club has competed in three grand finals and won two in successive years. Well done to the Waroona Cricket Club and all the supporters who travelled to Lark Hill to watch and celebrate.

I would like to encourage any of our wonderful community groups who have a project or an initiative that would be eligible to submit to the Alcoa Wagerup Sustainability Fund to do so in the next few weeks. This funding round will be taking submissions until Friday the 31st May 2019 so please refer to the guidelines and the application form which is on the Shire's website.

A very generous donation of land from Mick and Helen Muir on their property, Culburra Downs on Coronation Road will see the commencement of building a fire shed for the West Waroona Volunteer Bush Fire Brigade. Our community thanks Mick and Helen for their most generous gift and the Brigade truly appreciates this gesture.

### COMMUNITY PARKS SURVEYS

The Shire of Waroona has engaged with Ecoscape consultants to develop a concept plan for the development of community parks in Hamel, Lake Clifton and Preston Beach. We would like your help by providing your input into what this public open space area may look like and include.

Surveys for each site are available online on Council's website [www.waroona.wa.gov.au](http://www.waroona.wa.gov.au) and Facebook, or in hard copy at the Shire Administration Office, Recreation and Aquatic Centre, Library and Visitor Centre. Please complete the surveys with as much detail as possible to ensure we gather all the information we need to make this park functional and practical.

### MOVIE UNDER THE STARS

On Friday, 22 March, Waroona Youth Advisory Council (YAC) held their annual Movie Under the Stars at the Waroona Cricket Oval. Although the weather was threatening with cool winds, the community once again showed a great support of the event. Over 150 adults and children rolled in with their rugs and chairs to watch the blockbuster hit 'Ralph Breaks The Internet'. Members of YAC set up a snack bar, selling lollies, chocolates and hot drinks, whilst Leos Club of Waroona sold a sausage sizzle and drinks. Murray SES once again provided assistance on the night, and thankfully their security services weren't required so they were able to enjoy the movie also. YAC were fortunate to again have Curtis Electrical donate their time and equipment, and Waroona Agricultural Society allow use of their ticket booth. YAC would like to extend a huge thank you to these organisations, as well as Waroona Cricket Club, Shire of Waroona and ALCOA for their sponsorship which made the night another huge success.

### COMMUNITY DEVELOPMENT GRANTS 2019

The Shire of Waroona Community Development Grants Program 2018 is now closed. Thank you to all community organisations that applied. Again, this year's program was oversubscribed. All applicants shall receive notification of their application by early May. For any queries relating to the Community Development Grants Program 2019, please contact the Shire of Waroona Community Development Officer on (08) 9733 7800 or at [cdo@waroona.wa.gov.au](mailto:cdo@waroona.wa.gov.au)

### HUNTING & GATHERING - GRANT WRITING WORKSHOP

On Thursday 28 March, the Shire collaborated with Department of Local Government, Sport and Cultural Industries, to host a grant writing workshop at the Waroona Recreation and Aquatic Centre. The session was well attended with 14 local community organisations and sporting clubs coming along to improve their 'hunting and gathering' skills. Kim Buttfield facilitated the workshop and provided attendees with their own take home template plan for how to apply for grants and sponsorships. A workshop evaluation found that attendees rated the session as an average of 3.8/4 and all stated that they would recommend the session to others.

The Shire is looking to host other club development workshops like this in the future, so watch this space!

### WAROONA DIRECTORY

The Shire has been working with Templeman Twells Web Design to develop an online directory for businesses and community organisations, which can be downloaded as a PDF and printed, in a format which is not only professional in appearance, but also practical in use. The directory will also include listings for public services, health services, schools, government departments, members of parliaments, and justice of the peace.

The Waroona Directory is now live and accessible from: [www.waroona.directory](http://www.waroona.directory)

As the directory is still being developed, it is expected that there will be minor tweaks required, so please contact the Shire if you come across any issues, or have suggestions for improvement.
