

Shire President's Message

The move into autumn for us sees us leave behind a very dry few months. While we have experienced a relatively mild summer, it has been lacking in any significant rainfall. We are fortunate that we are not in the situation many areas across Australia have experienced and now it appears some parts of the state are about to. It also seems we have been spared some of the searing heat other areas have had to deal with. I guess we all get

to share and good and the not so good parts of Australia.

A few of the good aspects this month is our original Drakesbrook Road Board Building, now the Historical Society Rooms has had a facelift and look much brighter. The construction of the Preston beach Community Centre is almost to lock up stage and work continues well on the Men's Shed. Council has appointed a designer to work on the area between the war memorial and the hall to give some ideas on how to link these areas together. While these ideas are in their infancy, they will give council some idea in costs and designs for our community to have input into.

Other concepts include a youth precinct and mini parks in Hamel, Lake Clifton and Preston Beach.

One of the more challenging aspects of our Council is that we are always under approach to support many organisations and events that take place in our community. While we do try and support as many groups and good intentions as we can, we must be mindful of the costs and the end benefit our community will see. We do support many worthy and significant projects in our shire but they must always be in a measured and planned way. Council's resources are not unlimited and we are genuinely accountable to all our ratepayers for how we spend our funding. Having noted that, council is always an open door and a great place to start with

help in assisting or giving direction for any community event or idea anyone may have. I just ask that if any group has an idea to ask for support, it must be in a planned and transparent way.

Please come along to some of the great events organised for this month. We have our annual 'Movie Under The Stars' on March the 22nd between 6-9pm at the top cricket oval and for all sporting groups the Peel Sports Forum at the Mandurah Offshore Fishing Club. Please don't forget that our Recreation Centre is always looking for more visitors to use our facility. It's never too late to start fitness programme or have a swim. The staff are always willing to help with anything you need.
