

## Shire President's Message

It never ceases to amaze me, the magnificent community spirit that I get to see in the many facets of our shire. From the groups that facilitate our special event days through to sports groups and community improvement and charity. It is wonderful to see them working together on different activities that not only provide some social interaction and engagement but also welcomes our residents and visitors to enjoy some of the special things that make our rural community the great part of the state to live in.

Council recently had a presentation from South Energy who are proposing to develop a substantial solar farm approximately 12km west of Waroona. The proposed solar farm is envisaged to supply enough power to support 60,000 homes with significantly lower emissions than traditional energy generation. While they have committed a lot of time and planning into this project, they will need to secure approval and funding for this project to see it to fruition. The proposed solar farm will be approved by a joint development assessment panel after our council has processed the application due to the project coming in at around 250 million dollars. From very early discussions, this development would have some good benefits for our Shire and the

company that are behind this proposal are very happy with the selected site.

The Shire is currently running two online surveys covering the Youth Precinct and Mental Health. They don't take a lot of time to complete and the more input we can receive in these surveys the better placed we are to make the right decision going forward. Therefore, I ask that if you can spare a few minutes to do these it would be appreciated. Both surveys can be found on the Shire's website and the Shire Facebook page.

The maintenance scheduled for the pool and roof at the Recreation Centre will understandably impact our users over the next few months but this maintenance is unavoidable. The pool is

a considerable cost to council and while we can be proud to have such a fantastic community asset, it still has a huge capacity to be more utilised. Once these repairs are complete, please consider the pool as a destination for a swim or a fitness program. The Recreation Centre staff have developed a great group fit calendar so why not have a look at it and see if it inspires you to get involved.

Council has considered a conservative budget this year with a modest rates increase proposed at 2.64%. It includes another large road programme and improvements in some of our community assets. The wish-list for council always exceeds what we can fund but we consider this budget to be disciplined and suitable to our ratepayers and residents.

## COMMUNITY PRIMARY MENTAL HEALTH SURVEY

To help us ensure the program is effective and relevant to the communities needs we would appreciate if you could spare a couple of minutes to complete the survey. The link to access the survey online, is available on the Shire of Waroona Facebook page and Shire of Waroona website

## NAIDOC CULTURAL SHOWCASE 2019

On Tuesday 9 July, Waroona celebrated Aboriginal culture with a showcase of activities, food and performances at the Waroona Memorial Hall. The event opened with a Welcome to Country from local elder Mr Rob Jetta. The crowd was then treated to a dance and didgeridoo performance by dancing group 'Bibbulmun Koorda'. Councillor Walmsley talked about how he loved hearing Aboriginal stories and encouraged the continued sharing of stories and culture.

This year's NAIDOC theme is "Voice, Treaty, Truth - lets work together for a shared future". The three key elements of the theme originate from the reforms set out in the Uluru Statement from the Heart. These reforms represent the unified position of First Nations Australians. Waroona can be proud of the NAIDOC showcase bringing us together.

Attendees were able to enjoy the activities and interact with the number of information and health promotion stalls including Earbus Foundation of WA, Family Support Service, CAMHS, Noongar Playgroup, Parenting Connection WA, Anglicare, Wanslea, Peel Jobs & Skills Centre, and the South West Aboriginal Medical Service. Stacey Francis from Perth Fever Netball was a popular guest; the Leos Club of Waroona provided a free sausage sizzle; the Waroona Youth Advisory Committee provided

face painting while the local Aboriginal community offered freshly made kangaroo stew and damper; tasting of kangaroo fillet, crocodile and emu sausages done over an open fire. Thank you to Waroona District High School and St. Josephs Waroona for the very impressive artwork contributions displayed.

Over 200 people supported the event, with adults and children alike enjoying a day of free activities including rock painting, arts and crafts, colouring in, and taking on the climbing wall. The event was a huge success, and would not have been possible without the support of the Shire of Waroona, our local Aboriginal community, Waroona Aboriginal and Torres Strait Islander Corporation, Waroona Interagency Group, WAPHA, and the Department of Prime Minister and Cabinet.
